

## Issues

| #    | Project    | Subject  | Assignee         | Updated                | Category              |
|------|------------|--|------------------|------------------------|-----------------------|
| 1681 | MAUS       | maus095 using switch_unpacker  | Karadzov, Yordan | 30 June 2015 15:06     | Build System          |
| 497  | MAUS       | Memory allocation failed in MDdateFile                                     | Karadzov, Yordan | 23 June 2011 17:24     | common_cpp            |
| 594  | MAUS       | Mappers taking too long?   | Karadzov, Yordan | 25 October 2011 21:16  | common_py             |
| 64   | Operations | update DAQ QuickStart manual   | Karadzov, Yordan | 06 December 2011 21:11 | Data Acquisition      |
| 546  | Operations | test Online Monitoring   | Karadzov, Yordan | 18 August 2011 21:21   | Data Acquisition      |
| 1595 | MAUS       | Error Reconstructing MICE Data   | Karadzov, Yordan | 30 June 2015 19:35     | Data Structure        |
| 725  | MAUS       | Unpacker should make one line per spill                                    | Karadzov, Yordan | 22 November 2012 07:49 | Input                 |
| 518  | MAUS       | Incorporate new unpacker (allows read-out of EMR and tracker)              | Karadzov, Yordan | 28 March 2012 11:07    | Input                 |
| 550  | MAUS       | Code review input real data changes  | Karadzov, Yordan | 28 July 2011 15:41     | Input                 |
| 904  | MAUS       | InputCppDAQOnlineData  | Karadzov, Yordan | 26 August 2013 20:28   | Online reconstruction |
| 933  | MAUS       | InputCppDAQData and releases   | Karadzov, Yordan | 26 August 2013 20:28   | Online reconstruction |
| 737  | MAUS       | DAQChannelMap bug and unpacker loads MD5sum files then exists              | Karadzov, Yordan | 22 November 2012 07:50 | RealData              |
| 726  | MAUS       | Add unpacker data to SpillSchema.py  | Karadzov, Yordan | 22 November 2012 07:50 | RealData              |
| 718  | MAUS       | Extend Unpacking tests   | Karadzov, Yordan | 22 November 2012 07:49 | RealData              |
| 741  | MAUS       | Unpacking -> Online  | Karadzov, Yordan | 09 July 2012 16:18     | RealData              |
| 739  | MAUS       | Multiple end of run daq events for each spill                              | Karadzov, Yordan | 21 October 2011 08:58  | RealData              |
| 591  | MAUS       | Define TOF data structure  | Karadzov, Yordan | 23 November 2012 08:49 | TOF                   |
| 742  | MAUS       | karadzov branch 'beta testing'   | Karadzov, Yordan | 22 November 2012 07:50 | TOF                   |
| 732  | MAUS       | TOF Reconstruction - Call for beta testers.                                | Karadzov, Yordan | 22 November 2012 07:50 | TOF                   |
| 295  | MAUS       | verify TOF digitization  | Karadzov, Yordan | 26 October 2011 18:28  | TOF                   |
| 592  | MAUS       | Code Review InputRealData  | Karadzov, Yordan | 21 October 2011 16:05  | TOF                   |
| 763  | MAUS       | TOF reconstruction to space points   | Karadzov, Yordan | 21 October 2011 16:04  | TOF                   |
| 568  | MAUS       | Code review G4MICE TOF code  | Karadzov, Yordan | 12 October 2011 12:22  | TOF                   |
| 493  | MAUS       | TofCalibration application segmentation faults when run with bad arguments | Karadzov, Yordan | 24 August 2011 13:02   | TOF                   |
| 413  | MAUS       | MapCppTOFDigitization files fails cpplint                                  | Karadzov, Yordan | 30 April 2011 11:50    | TOF                   |
