- Target version changed from Future MAUS release to MAUS-v0.3.2

#3 - 03 April 2013 09:22 - Carlisle, Timothy

Did this get put in? How do I build Maus0.5 with Geant4.9.5p01?

Thanks Chris

#4 - 03 April 2013 11:20 - Rogers, Chris

I put instructions at

<http://micewww.pp.rl.ac.uk/projects/maus/wiki/Install#Rebuilding-with-Geant495>

Let me know if you have a problem.
