

MAUS - Feature #249

Materials Test/Documentation

03 December 2010 10:17 - Rogers, Chris

Status:	Open	Start date:	03 December 2010
Priority:	Normal	Due date:	
Assignee:	Rogers, Chris	% Done:	0%
Category:	Simulation	Estimated time:	0.00 hour
Target version:			
Workflow:			
Description			
Need to test that the list of valid materials is, indeed, valid... plus some way of automagically updating the list...			

History

#1 - 03 December 2010 10:21 - Rogers, Chris

- Category set to Simulation
- Assignee set to Rogers, Chris

#2 - 26 May 2011 15:28 - Rogers, Chris

- Project changed from G4MICE to MAUS
- Category changed from Simulation to Simulation

#3 - 17 September 2014 16:22 - Rogers, Chris

Bump

#4 - 17 September 2014 16:25 - Rogers, Chris

Need to make sure that Lithium Hydride is done according to technical specification...
